Summer Fun

In the month of May, our Discovery Kitchen theme was Summer Fun featuring lots of beautiful recipes that remind us of summer!!

We sampled BBQ recipes, colorful composed salads and other fun ideas this month as we jumped right in to the flavors and colors of summer!

See inside for more!

SUMMER FUN!

And just like that, the 2022-2023 school year is just about at its end! It has been an amazing year all around, and one we are particularly proud of!

Day after day and month after month, we serve Happy and Healthy lunches to students in all 8 schools, working hard to have fun, and to offer them the best product we can!

Everyday has its own hurdles to overcome, but we do it all with a smile, because we love being in this district; we love serving our kids; and we love doing what we do!

Have a GREAT summer, we'll see you next year!!

High Performing Associate Program

Two of our Chartwells team members had the opportunity to participate in the inaugural HiPo Program within Chartwells! This program gave employees who show mgmt. potential the opportunity to gain invaluable training to help them grow in the company into those roles!

Participants had to be nominated by their direct manager, and we were fortunate to have two people selected:

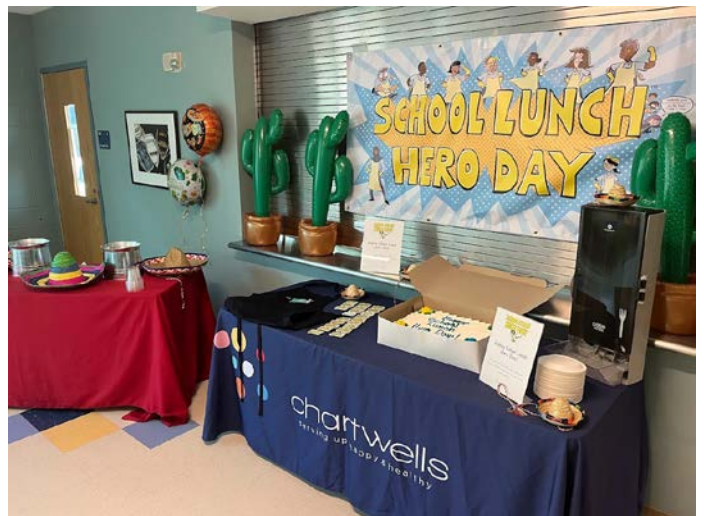

Amy Eldredge from SHS and Lucy Ochoa from BMS!!

School Lunch Hero Day!!

On Friday, May 5th, Chartwells celebrated National School Lunch Hero Day in our schools across the country as we recognized our 16,000 cooks, chefs, dietitians and foodservice workers who served more than 300 million meals since the start of the pandemic.

Now in its 10th year, School Lunch Hero Day is a national program dedicated to providing well-deserved recognition to school foodservice professionals for their role in keeping children well-fed, happy and healthy!

Fun in the Sun!!

**The Class of 2023 Senior Picnic and Graduation party happened on May 12 and 13, and we were there cooking, grilling, and having fun with the outgoing class!!
Best of Luck Class of 2023, we will miss you!!**

May the 4th!!

**May the 4th is Star Wars Day! We had some fun making Star Wars themed smoothies and snacks at SHS!
Our favorite were the "Lightsaber" Pretzels!!**

Meet the Team!!

@ CMS!

**Debbie. Lynn, Maritza, Danielle, and
Christine**

Meet Team CMS! Sometimes the middle schools get left out, so we wanted to do our last feature of the year about the wonderful team at CMS!

Made up of 5 great team members, they work hard everyday to be sure our CMS family is fed and smiling!

Thank you Team CMS for all you do!
